NATIONAL MEDICAL COMMISSION

NOTIFICATION

New Delhi, the 18th November, 2021

No. UGMEB/NMC/Rules & Regulations/2021/ .— In exercise of the powers conferred by section 57 read with sub-section (1) of section 24 of the National Medical Commission Act, 2019 (30 of 2019), the National Medical Commission hereby makes the following regulations namely:-

1. **Short title and commencement.**— (1) These regulations may be called the National Medical Commission (Compulsory Rotating Medical Internship) Regulations, 2021.
 - (2) They shall come into force on the date of their final publication in the Official Gazette of India.
2. **Definitions.**— (1) In these regulations, unless the context otherwise requires,—
 - (a) “Act” means the National Medical Commission Act, 2019 (30 of 2019);
 - (b) “Commission” means the National Medical Commission constituted under section 3 of the Act;
 - (c) “Curriculum” includes the elements detailed in Schedule III;
 - (d) “Foreign Medical Graduate” shall have the meaning assigned to it in clause (c) of regulation 2 of the National Medical Commission (Foreign Medical Graduate Licentiate) Regulations, 2021;
 - (e) “Intern” means a medical graduate undergoing compulsory rotating internship training under these regulations;
 - (f) “Log Book” means an official document chronicling the performance of an intern and a record of the work done, procedures performed and competencies achieved by him;
 - (g) “Mentor” shall mean an appropriately qualified and trained medical teacher and senior to the trainee, who guides the trainee in all aspects of graduation, such as, education, skill enhancement, research work and ethical values;
 - (h) “Notification” means a notification published in the Official Gazette and the expression “notify” shall be construed accordingly;
 - (i) “Permanent Registration” is the registration of eligible persons with a duly recognised primary medical qualification as regulated under the provisions of Chapter VI of the Act, that provides license to an individual to independently practice modern scientific system of medicine or allopathy in India;
 - (j) “Primary Medical Qualification” means a medical graduation degree, such as, Bachelor of Medicine and Bachelor of Surgery (MBBS) conferred in India or an equivalent qualification of any country other than India or an

erstwhile licentiate qualification of India granted under the Indian Medical Council Act, 1956 (102 of 1956), which are in force as on the date of commencement of the Act that continues to be in force till the date of their expiry for all purposes, as if they had been issued or granted under the provisions of the Act or the rules or regulations made thereunder;

(k) "Schedule" means the Schedule annexed to these regulations;

(l) "University" shall have the same meaning assigned to it in clause (f) of section 2 of the University Grants Commission Act, 1956 (3 of 1956) and includes a health University in India or an equivalent institution outside India that has a Medical faculty duly recognised in that country.

(2) Words and expressions used in these regulations and not defined herein but defined in the Act shall have the respective meanings assigned to them in the Act.

3. Internship to be an integral part of undergraduate medical education.— Without prejudice to the provisions of these regulations, compulsory rotating medical internship shall be an integral part of undergraduate medical education degree.

4. Bar on licence to permanent registration.—No medical graduate shall be eligible to permanent registration to practice medicine in India unless he undergoes the compulsory rotating medical internship in India as provided in Schedule II.

5. Duration and Period of Internship.— The overall duration of compulsory rotating medical internship shall not be less than twelve months and institutions or hospitals from where it may be undergone shall be such as specified in Schedule I and shall be completed within a period of two years from the date of qualifying credentials to pursue compulsory rotating medical internship.

6. Quality of internship.— No medical graduate shall be considered to have undergone compulsory rotating medical internship unless—

(a) all the essential (practical) aspects of medicine in the areas specified in the Schedule III and IV are completed during the internship; and

(b) the entire course of internship is done under active supervision of the mentor duly qualified in that respect, and the mentor has duly issued certificate in that respect, as per the proforma provided in Schedule IV

7. Qualifications of mentor.— No person shall be eligible either to supervise a medical interneer or certify the completion of compulsory rotating medical internship, unless he possesses all the qualifications specified in Schedule IV.

8. The Dean/ Principal/ Director or any other equivalent authority shall be responsible for implementation of these Regulations.

SCHEDULE - I

[See regulation 5]

DURATION and PERIOD OF CRMI

1. Total Duration

Every candidate shall be required to undergo a compulsory rotating medical internship (CRMI) for a minimum period of twelve months, to the satisfaction of the college authorities and the University concerned after passing the final Bachelor of Medicine and Bachelor of Surgery (MBBS) examination/ National Exit Exam for MBBS (Next), so as to be eligible for the award of the MBBS degree by the respective Universities.

2. Period for Completion

(a) The Internship shall be completed within two years of passing the final MBBS or Foreign Medical Graduate Examination (FMGE) or NExT Step-1 examination, whenever in force.

(b) The minimum duration of compulsory rotating medical internship may be extended appropriately by a reasonable period on recommendation by the College or University for reasons including but not limited to:

(i) insufficient period of attendance; or

(ii) any exigency such as disasters or unforeseen circumstances in the country as notified by the Government of India or any competent authority duly authorized to do so.

(c) The duration of internship may be curtailed or temporarily suspended or even withdrawn or cancelled at any time by the institution or University according to the prevailing rules or regulations of the relevant authority, provided—

- (i) the registrant, due to any reason whatsoever, desires not to pursue CRMI; or
 - (ii) the registrant is not found to have fulfilled eligibility requirements; or
 - (iii) there are proven acts of indiscipline; or
 - (iv) there are proven acts of professional misdemeanor or misconduct; or
 - (v) any other acts or actions including those violating law of the land.
- (d). An intern shall be allowed to avail the following leaves;-
- A. Normal Leave:
- (i) Interns shall be permitted a maximum of fifteen days leave with prior permission, during the entire period of internship.
 - (ii) The entire period of fifteen days cannot be availed during any of the one week or two weeks postings applicable to a single department or speciality
- B. Maternity Leave:
- (i) Lady Interns may be permitted Maternity Leave according to prevailing rules and regulations of the Central Government or State Government, as may be applicable
- C. Paternity Leave: Male interns may be permitted paternity leave for two weeks either in continuation or in intervals of one week each within one year of internship.
- D. Medical Leave:
- (i) Medical Leave shall be included within the fifteen days of normal leave.
 - (ii) Any medical leave beyond this period shall be recommended only by a duly constituted Medical Board.
- E. The internship shall be extended if the leave of absence of any kind exceeds beyond this period:
- (i) The period of extension shall be equivalent to the period beyond permissible fifteen days of leave.
 - (ii) The internship shall be repeated only in the department or speciality wherein the above extension is necessary.

SCHEDULE- II

(See Regulation 4)

ELIGIBILITY CRITERIA FOR COMPLETION OF CRMI

The following requirements need to be fulfilled to be eligible for CRMI.

1. Indian Medical Graduates

- (a) The applicant should have successfully completed the MBBS course of any University from a college or institution approved and recognised by the Commission and listed by the Undergraduate Medical Education Board under the provisions of section 35 of the Act.
- (b) The qualifying examination for Indian Medical Graduates shall be in accordance with the applicable rules and regulations of the Commission at the time of commencement of internship;
 - (i) The Final MBBS Examination of various Universities or institutions of India;
 - (ii) The National Exit Test (NExT) Step-1 held under sub-section (1) of section 15 of the Act whenever this examination becomes operational;
 - (iii) Any other requirement as may be regulated or notified by the Central Government or, as the case may be, the Commission.
- (c) All Indian Medical Graduates shall complete their entire period of compulsory rotating internship training (CRMI) in the institution where they have pursued and completed their Bachelor of Medicine and Bachelor of Surgery (MBBS);
 - (i) One-year approved service in the Armed Forces Medical Services, after passing the final MBBS examination shall be considered as equivalent to the pre- registration training detailed above; and such training shall, as far as possible, be at the Base or General Hospital. The training in Community Medicine should fulfill the norms of the NMC as proposed above. However NExT step 2 will be mandatory for these candidates also.

2. Foreign Medical Graduates

(a) All Foreign Medical Graduates, as regulated by the National Medical Commission (Foreign Medical Graduate Licentiate) Regulations, 2021, are required to undergo internship at par with Indian Medical Graduates if they desire to seek Permanent Registration to practice Medicine in India.

(i) All Foreign Medical Graduates, unless otherwise notified shall be required to undergo CRMI at par with Indian Medical Graduates after the National Exit Test Step-1 after NExT becomes operational.

(b) Indian citizens (including overseas Indian citizens) who are Foreign Medical Graduates who do not fall under the purview of the National Medical Commission (Foreign Medical Graduate Licentiate) Regulations, 2021 shall be regulated by the provisions of sub-section (3) of section 13 of the Indian Medical Council Act, 1956 (102 of 1956) in accordance with the Advisory no MCI-203(1)(Gen)/2020- Regn./118239, dated the 2nd September, 2020 and shall be required to complete CRMI in India if they have not undergone such practical training after obtaining such qualification as may be required by the rules and regulations in force in the country granting such qualification or has not undergone any practical training in that country.

(c) Foreign Medical Graduates who require to complete a period of Internship shall do so only in medical colleges or institutions approved for providing CRMI to Indian Medical Graduates;

(i) Foreign Medical Graduates may be posted first in colleges which have been newly opened and have yet to be recognized;

(ii) May be posted to different medical colleges or institutions through a counseling or seat allocation process based on the merit;

(iii) Medical colleges or institutions may allow up to 7.5 per cent of their permitted quota of interns to accommodate internship by Foreign Medical Graduates.

(d) The college or institution and its affiliated hospitals and Community Health Centres shall be recognised by the Commission for conducting the CRMI programme

SCHEDULE- III

[See regulation 2(c)]

CURRICULUM AND SPECIALITIES OF COMPULSORY ROTATING MEDICAL INTERNSHIP (CRMI)

1. DISCIPLINE

(a). COMMUNITY MEDICINE. The aim of teaching the undergraduate student in Community Medicine is to impart such knowledge and skills that may enable him to diagnose and treat common medical illnesses and recognize the importance of community involvement. He/she shall acquire competence to deal effectively with an individual and the community in the context of primary health care. This is to be achieved by hands-on experience in the District Hospital and Primary Health Centre. The details are as under: -

- (i) 12 weeks (Total): Community Medicine (compulsory residence in center)
- (ii) 3 weeks: General Medicine
- (iii) 3 weeks: General Surgery
- (iv) 3 weeks: Obstetrics and Gynecology
- (v) 3 weeks: Community Medicine

District Hospital /Community Health Centre:

A. Tasks an intern must be able to do without assistance:

1. An intern must:
 - (a) Be able to diagnose common ailments and advise primary care;
 - (b) Demonstrate knowledge on 'Essential drugs' and their usage;
 - (c) Recognize medical emergencies, resuscitate and institute initial treatment and refer to a suitable institution/ suggest to the patient an alternative health care facility if he/she wants to know about the same.
2. An intern must be familiar with all National Health Programmes (e.g. RCH, UIP, CDD, ARI, FP, ANC, Tuberculosis, Leprosy and others), as recommended by the Ministry of Health and Family Welfare.
3. An intern must:

(ग) "विदेशी आयुर्विज्ञान स्नातक" से कोई ऐसा व्यक्ति अभिप्रेत है जिसके पास भारत में चिकित्सा व्यवसाय के लिए लाइसेंस प्राप्त करने के लिए भारत में किसी विश्वविद्यालय या मेडिकल कॉलेज या संस्थान से मूल स्नातक या प्राथमिक शैक्षिक योग्यता (स्नातक-पूर्व मेडिकल डिग्री) नहीं है;

(घ) "चिकित्सा-शास्त्र" से अपनी सभी शाखाओं में आधुनिक वैज्ञानिक चिकित्सा-शास्त्र अभिप्रेत है और इसमें शल्य-चिकित्सा तथा प्रसूति-विज्ञान शामिल है, परंतु इसमें पशुचिकित्सा-शास्त्र और शल्यचिकित्सा शामिल नहीं है।

NATIONAL MEDICAL COMMISSION**NOTIFICATION**

New Delhi, the 18th November, 2021

No. UGMEB/NMC/Rules & Regulations/2021/.—In exercise of the powers conferred by section 57 read with sub-section (4) of section 15 of the National Medical Commission Act, 2019 (30 of 2019), the National Medical Commission hereby makes the following regulations namely:-

1. Short title and commencement.—(1) These Regulations may be called the National Medical Commission (Foreign Medical Graduate Licentiate) Regulations, 2021.

(2) They shall come into force on the date of their final publication in the Official Gazette of India.

2. Definitions.— In these regulations, unless the context otherwise requires,—

(a) “Act” means the National Medical Commission Act, 2019 (30 of 2019);

(b) “Commission” means the National Medical Commission constituted under section 3 of the Act;

(c) “Foreign Medical Graduate” means a person who does not have basic graduation or primary qualification (undergraduate medical degree) from any University or medical college or institution in India, to seek license for medical practice in India;

(d) “Medicine” means modern scientific medicine in all its branches and includes surgery and obstetrics, but does not include veterinary medicine and surgery;

(e) “Permanent Registration” is the registration of eligible persons with a duly recognised primary medical qualification as regulated under the provisions of Chapter VI of the Act, which permits or provides license to an individual to independently practice modern scientific system of medicine or allopathy in India, as regulated under the Permanent Medical Regulations, 2021;

(f) “Schedule” means the Schedule annexed to these regulations;

(g) “Supervised Internship” means training of an intern by mentors so that he becomes a clinician with reliable competencies in diagnostic and therapeutic skills in different disciplines of medicine, appropriate for a primary care physician, to independently provide safe preventive, promotive, curative, palliative and holistic care with compassion and is confident of handling common acute emergencies.

(2) Words and expressions used in these regulations and not defined herein but defined in the Act, shall have the respective meanings assigned to them in the Act.

3. Prohibition of foreign medical graduate to practice medicine in India.—No foreign medical graduate shall practice medicine in India, unless he is granted permanent registration in accordance with the provisions of these regulations.

4. Grant of permanent registration to Foreign Medical Graduate.—No foreign medical graduate shall be granted permanent registration, unless he has—

(a) (i) undergone a course leading to foreign medical degree with minimum duration of fifty-four months;

(ii) Undergone an internship for a minimum duration of twelve months in the same foreign medical institution;

(iii) Received a foreign medical degree with medium of instructions in English; and

(iv) studied the mandatory subjects specified in the Schedule-I;

(b) registered with the respective professional regulatory body or otherwise, competent to grant license to practice medicine in their respective jurisdiction of the country in which the medical degree is awarded and at par with the license to practice medicine given to citizen of that country;

(c) undergone supervised internship in India for a minimum term of twelve months, after applying for the same to the Commission; and

(d) has cleared the National Exit Test or such other mandated test or tests conducted by the Commission.

5. Applicability of these regulations.—(1) Notwithstanding anything contained in regulation 4, these regulations shall not be applicable—

(a) To foreign medical graduates who have acquired a foreign medical degree or primary qualification, as the case may be, prior to the coming into force of these regulations;

(b) to candidates who are pursuing their education in foreign institutions prior to the coming into force of these regulations; and

(c) to such foreign medical graduates who are specifically exempted by the Commission or the Central Government, as the case may be, by notification.

(2) The foreign medical graduates who have acquired a foreign medical degree or primary qualification, as the case may be, and the candidates who are pursuing their education in foreign institutions, prior to the coming into force of these regulations, shall be governed by the erstwhile applicable regulations.

(3) Notwithstanding anything contained in these regulations, no grant of permanent registration to practice medicine shall be issued if the same infringes upon public policy or national security.

SCHEDULE-I

(See regulation 4)

CRITERIA TO RECOGNISE FOREIGN MEDICAL GRADUATES APPLYING FOR LICENCE OR PERMANENT REGISTRATION TO PRACTICE IN INDIA

1. The guiding principle for licensing a foreign medical graduate to practice in India is to ensure that the Foreign Medical Graduate fulfils the requirements of education and training equivalent or commensurate with that of an Indian medical graduate.

2. Eligibility for primary medical qualification in a country outside India:

(i) Duration of course and training in subjects leading to primary medical qualification:

(a) Any person who pursue the foreign medical degree should have undergone a course of theory, practical and clinical training equivalent to Bachelor of Medicine and Bachelor of Surgery (MBBS) of India; and

(b) Should have been completed internship of twelve months in addition to such course referred to in clause (a), in the same foreign institution where the primary medical qualification has been obtained, along with hands-on training in clinical subjects including but not limited to Community Medicine, General Medicine, Psychiatry, Paediatrics, General Surgery, Anaesthesia, Obstetrics and Gynaecology, Orthopaedics, Otorhinolaryngology, Ophthalmology, Dermatology, Emergency or Casualty services, lab services and their sub-specialties.

(ii) Content of course or Training leading to primary medical qualification

(a) The course and internship or clinical clerkship shall commensurate with the MBBS course of India in accordance with the Regulations on Graduate Medical Education, 1997 and subsequent amendments thereto, and shall include the subjects mentioned therein as are duly recognised by the Commission under sub-section (2) of section 61 of the Act;

(b) The course curriculum shall be made available for review by appropriate authorities, and if necessary, in the website of the institution or university where the course is being pursued at the time of joining the course.

(iii) Location of medical college or institution and administration of the course or training:

The entire course, training and internship or clerkship shall be done outside India in the same foreign medical institution throughout the course of study and no part of medical training and internship shall be done in India or in any country other than country from where the primary medical qualification is obtained.

(iv) Duration of course:

The total duration of the foreign medical graduation course shall be completed within ten years from the date of joining the course.

Dr. SANDHYA BHULLAR, Secy.
